Prayer Diary April 2021

Thursday 1

We live in a world of uncertainty and chaos and we often feel out of control. Thank God that even when we feel like this, He is still in control. Ask Him to help you remember that His plans are better than any plans we make ourselves and that nothing happens without Him knowing about it.

Friday 2

Good Friday: Prayerfully reflect on the love of God in the death of Christ today. Thank God for the cross which reconciles us to Him.

Saturday 3

Pray for all aspects of pastoral care, for hospital and home visits, counselling and simply being aware of the needs of lonely, grieving, sick or those struggling within our church family.

Sunday 4

Easter Sunday: Jesus Christ is alive! Thank God that He makes all things new, for the victory and power in His name, and that Jesus was raised from the dead, making a way for us to have new life forever.

Monday 5

There are so many distractions in our lives which keep us from living the way we ought to. Pray that God will help you fix your eyes on Him only and help you to throw off anything that hinders and distracts from Him.

Tuesday 6

Thank God for the church family. Pray that God will give each of us a longing to know Him better, to look out for the interests of others before our own, to be kind, patient and encourage each other.

Wednesday 7

Pray for those who are married within our church family. Pray that husbands and wives will both understand their respective roles within the marriage relationship. Pray that wives will submit to their own husbands as they submit to the authority of Christ and husbands will love their wives as Christ loves the church. Pray God will protect and guard our marriages for His glory and our good.

Thursday 8

Remember those in our congregation who are still unmarried or single, whether it is by choice or not. Pray that God will use their present singleness for His glory and wonderful purposes.

Friday 9

Pray that God will watch over those within our church family who are separated, divorced or widowed, especially if they are facing financial pressures, loneliness, depression or dealing with grief. Ask that God will give them strength to face the challenges each day presents and always keep their focus on Him.
